

Sound Beginnings Studio Policy

Studio Standards

1. Parents may come in when the sign is up - 5 minutes before class starts. (I try to always begin & end on time.)
2. Be safe with your vehicle and watch for other children before and after class.
3. No gum, candy, or food allowed in class. Please give your child water to drink before & after class. Please have everyone wipe hands with wet wipes when you enter.
4. Parents have their child stay near them during class (and not wander around the rooms, for their own safety and so they aren't a distraction to others.)

Financial Considerations

1. Tuition may be paid by semester or 4 installments (with post dated checks or online banking).
2. You have purchased a spot in the class for the semester and will not be refunded if your child misses class. In some cases you may attend another class as a make up, e mail me when this comes up.
3. If you decide not to participate, the Registration Fee & Materials Fee are non-refundable.

*I appreciate you choosing my studio for your child's music education!
Please let me know if you have questions.*
